

# Titan's Handcrafted Funeral Caskets

5.0 out of 5 based on 1,245 reviews

SHAUNNA (YUKON, OK)

Delivery was seamless and the casket was exactly what we wanted.

“The casket was the same quality of the ones sold by our local funeral home. The Titan staff was easy to work with. I loved the upgraded insert with the word “Mother” monogrammed. **Thank you Titan for making a difficult time for our family a little bit easier while also saving us a bit of money.**”

GARY (HANCEVILLE, AL)

Best customers service ever!

“**The customer service offered at Titan was phenomenal every step of the way.** The funeral home even said they don't take caskets from other companies, and after Titan called them - everything changed, it wasn't a problem anymore.”

JOLENE (YUMA, AZ)

Kind Customer Service & Quality Product

“Planning this funeral was such a hassle but working with Titan was a Godsend! **One of the few things I didn't have to stress about.** Arrived exactly when it was supposed to and it was exactly what we expected it to be. My dad would have been thrilled - it was perfectly him.”

RICHARD (PASADENA, CA)

Handcrafted to Impress

“**A beautiful casket, which even impressed the employees at my local funeral home.** It was on display at the military funeral at a National Cemetery. It actually looked much nicer than the metal caskets for sale at the funeral home.”

## Frequently Asked Questions

Can I really buy a casket online?

Yes! The process is simple: you choose the product and we guarantee an on-time delivery. You'll save hundreds or thousands of dollars and get exactly what you envision.

Are Titan Caskets accepted by all Funeral Homes?

Yes! Per federal law, it is illegal for funeral homes to refuse you this option, or charge you an additional fee. Funeral homes must accept the casket or coffin you bought online.

What happens if Titan Casket is sold or goes out of business?

If Titan Casket is sold, the pre-planning contracts and commitments will transfer to the new owner. If we go out of business completely (we don't plan on it), the funds are protected by a separate trust and will be returned to you.

## About Us

**TITAN CASKET IS THE LEADING DIRECT-TO-CONSUMER FUNERAL CASKET SUPPLIER IN THE US.**

We are an American owned company building and selling handcrafted caskets directly to families, to the US military, and also through trusted retailers such as Costco, Sam's Club, and Amazon.

By buying direct from Titan, instead of a funeral home, **families can save thousands of dollars** on a respectful choice to recognize a loved one.
